# Funds and Indirect Real Assets

## Local expertise for the global market

Real assets strategies need a host of different indirect investment structures. Under the merged CMS banner, our FIRA team offers the full range in-house:

Global institutions increasingly need local expertise across key jurisdictions. The merger of Nabarro, CMS and Olswang gives our FIRA team an unrivalled suite of international structuring and asset level capabilities:

**UK:** marketing-leading English and Scottish funds team, Band 1 in Chambers for 7 years

**US:** a permanent state-side funds presence

**Middle East:** specialist funds support from our team in Dubai, and offices in Oman, Tehran, and Muscat

**Pan-European:** the largest European law firm, with a network of 40 local offices providing regulatory, funds, tax and asset expertise

**Luxembourg:** funds, tax and regulation experts

**Asia-Pacific:** a practice covering Asia inbound and outbound investment, based in Singapore, Beijing and Hong Kong

# A market leading team
